

SEASONS OF COLORADO COUNTY

For more than 200 years, people have called Colorado County home. From its towering live oaks, fertile soil, shaded banks of the twisting Colorado River, and abundant wildlife, the draw to the area by early settlers is easy to understand. Today, residents praise the warm hospitality, welcoming smiles, and friendly small-town atmosphere.

To celebrate our love of Colorado County, Columbus Historical Preservation Trust, Inc. endeavors to create a one-of-a-kind, photographic celebration of our community. *Seasons of Colorado County*, a true community project, will be a stunning coffee table book featuring photographs highlighting all areas of Colorado County through the changing of the seasons.

As an underwriter, your generous contribution will make this amazing publication possible. *Seasons of Colorado County* will fill the hearts of new and longtime residents, family, and friends for generations to come.
